**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The Patient Compensation Fund Board reports is it currently evaluating a potential e-payment solution. The Medical Review Panel indicates it currently does not have the resources to study the feasibility and cost of implementing an e-filing solution and may need to hire a consultant. The exact cost for the consultant is indeterminable at this time, but the Division of Administration has indicated it would absorb the cost in its operating budget.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
