

## RÉSUMÉ DIGEST

**ACT 154 (HB 176)**

**2025 Regular Session**

**Firment**

New law creates the crime of producing, manufacturing, distributing, or possessing with intent to produce, manufacture, or distribute products intended for human consumption that contain beta-phenyl-GABA, muscimol, ibotenic acid, or any analogue thereof.

New law provides a penalty of two to 10 years imprisonment with or without hard labor, or a fine of not more than \$20,000, or both for a conviction of producing, manufacturing, distributing, or possessing with intent to do so.

New law creates the crime of possession of products intended for human consumption that contains beta-phenyl-GABA, muscimol, ibotenic acid, or any analogue thereof.

New law provides a penalty of not more than five years imprisonment with or without hard labor, or a fine of not more than \$5,000, or both for a conviction of possession.

Effective August 1, 2025.
