

RÉSUMÉ DIGEST

ACT 406 (SB 34)

2025 Regular Session

Luneau

Existing law defines fraudulent insurance acts.

New law adds amending or altering the original adjuster's or appraiser's repair estimate, or amending or altering a supplemental estimate or revision to the original repair estimate, without documenting in the claims file or other notification to the issuer of the estimate as a fraudulent insurance act.

Effective July 1, 2026.
