

## RÉSUMÉ DIGEST

**ACT 14 (HB 189)**

**2025 Regular Session**

**Travis Johnson**

Existing law (R.S. 13:5554) provides that sheriffs and deputy sheriffs shall be insured under a policy, or policies, of group life, health, accident, accidental death and dismemberment, hospital, surgical, or medical expense insurance in such an amount, or amounts, as may be contracted for by the officers of the La. Sheriffs' Assoc. Further provides that dependents of sheriffs and deputy sheriffs may be insured under the group policies which provide hospital, surgical, or medical expense insurance contracted for by the La. Sheriffs' Assoc.

New law further provides that 100% of the premium costs of group hospital, surgical, medical expense, vision and dental insurance, and life insurance shall be paid in full from the sheriff's general fund, by the sheriff of East Carroll Parish, for any sheriff or deputy sheriff who retires directly from the East Carroll Parish Sheriff's Office on or after Jan. 1, 2022, who is eligible to receive benefits from the Sheriff's Pension and Relief Fund, and who meets any of the following conditions at the time of retirement:

- (1) Has attained the age of 62 years and has earned or purchased at least 15 years of service credit, with at least 12 of those years being service credit earned with the East Carroll Parish Sheriff's Office.
- (2) Has attained the age of 55 years and has earned or purchased at least 20 years of service credit, with at least 15 of those years being service credit earned with the East Carroll Parish Sheriff's Office.
- (3) Has earned or purchased at least 30 years of service credit, with at least 20 of those years being service credit earned with the East Carroll Parish Sheriff's Office, regardless of age.

Effective August 1, 2025.
