- (1) At least 15 years of service and have reached the age of 55.
- (2) At least 20 years of service at any age.

Provides that if the deposits and earnings on investments fall below \$4 million, no earnings shall be withdrawn and any balance owed for the payment of insurance premium costs shall be paid in full from the sheriff's general fund.

Proposed law requires any financial audit by the sheriff's office to comply with all provisions of proposed law.

Proposed law requires the sheriff to establish a three-member investment advisory board consisting of three members as follows:

- (1) The sheriff or his designee.
- (2) One retired sheriff or retired deputy sheriff of the department, appointed by the sheriff, who

shall serve a term determined by the sheriff.
