Subject: Louisiana Commission on Foundational Education	

EDUCATION RE NO IMPACT See Note Page 1 of 1
Creates the Louisiana Commission on Foundational Education and abolishes the Louisiana Literacy Advisory Commission

Proposed legislation creates the Louisiana Commission on Foundational Education to evaluate foundational education policy and provide recommendations to improve literacy, numeracy, and family engagement for students in kindergarten through grade eight. The commission will serve as an advisory body to the State Board of Elementary and Secondary Education (BESE) and the Louisiana Department of Education (LDOE), advising on policies, regulations, procedures, and funding structures; reviewing education policies and data; and developing evidence-based recommendations aligned with research-based literacy and mathematics instruction. LDOE will provide staff to support the commission. The commission will consist of 21 members appointed by state officials, education organizations, business groups, and education stakeholders, including teachers, higher education representatives, and nonprofit organizations. Members will serve staggered terms, meet at least quarterly, and submit an annual report of findings and recommendations to the governor, legislature, and BESE. Proposed legislation abolishes the Louisiana Literacy Advisory Commission and transfers its functions to the new commission.
