HB 732 Reengrossed

2026 Regular Session

Owen

Abstract: Grants the commissioner of the office of motor vehicles, or his designee, the authority to temporarily waive or suspend certain fines, fees, penalties, or license suspensions for up to 30 days to allow a person access to life sustaining medicine or treatment and to reduce or eliminate any obligation.

Present law (R.S. 32:8) allows the office of motor vehicles (OMV) to refer debts that are past due 180 days and final for collection through the Office of Debt Recovery, while notifying debtors of payment options and possible fees. Authorizes the OMV to adopt rules for referrals and, through the commissioner, compromise or settle debts to reduce collection costs.

Proposed law retains present law but grants the commissioner of the OMV, or his designee, emergency authority to temporarily waive or suspend fines, fees, penalties, or license suspensions for up to 30 days to allow access to life-sustaining medical treatment, with documentation from a healthcare provider. Additionally, grants the commissioner full authority to reduce or eliminate any obligation.

Proposed law defines "commissioner" as the commissioner of the OMV for purposes of proposed law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
