DIGEST  
2026 Regular Session

Fesi

Present law requires that school board meetings where changes to mileage and compensation are to be voted on must be advertised in the official journal of the parish on two separate days during the 15 days immediately preceding the meeting.

Proposed law retains present law but changes the notice requirement from the official journal of the parish to the official website of the school board making the change.

Present law requires that any proposal to change the board from compensation based on per diem basis to an expense allowance basis be adopted only after prior publication of the proposed change in the official journal of the parish on at least two separate days within the period of 15 days preceding the meeting.

Proposed law provides that this proposed change be adopted only after posting on the official website of the school board for 15 days preceding the meeting.

Effective on August 1, 2026.
