27 Commission, Process Technology Advisory Board, Rural Water Infrastructure
28 Committee, Louisiana Sentencing Commission, State Buildings and Lands Highest

1 and Best Use Advisory Group, and Waste Tire Task Force; and to provide for related
2 matters.

3 Be it enacted by the Legislature of Louisiana:

4 Section 1. The legislature finds that abolishing certain boards, commissions, and
5 other statutorily created entities and funds is in the public interest when such entities are
6 inactive. Pursuant to the recommendations contained in the October 1, 2025, Legislative
7 Auditor Report to the Legislature titled "Boards, Commissions, and Like Entities" and other
8 information, it is the intent of the legislature to abolish, boards, commissions, and other
9 statutorily created entities as provided in this Act.

10 **Advisory Commission for Louisiana's Energy, Environment, and Restoration**

11 Section 2.(A) R.S. 30:521(A)(1) is hereby amended and reenacted to read as follows:

12 §521. Merger and consolidation of agencies or functions

13 A. In order to merge and consolidate into one agency, under authority of
14 Section 32 of Article III of the Constitution of 1921, certain executive and
15 administrative offices, boards, commissions and agencies of the state of Louisiana
16 whose duties and functions are of a similar nature or character, the following named
17 offices, boards, commissions and agencies are merged and consolidated into the
18 Department of Conservation and Energy:

19 (1) The natural gas committee ~~or commission authorized by R.S. 30:401 et~~
20 ~~seq.~~

4 Development Commission.

5 * * *

6 (B) R.S. 41:1501 is hereby amended and reenacted to read as follows:

7 §1501. Lease of lakes, bays and coves

8 The register of the State Land Office, with the concurrence and approval of
9 the governor, is hereby authorized and empowered to lease on behalf of the state any
10 portion or part of any meandered state-owned lake, bay, cove or the bed and bottom
11 thereof or state-owned lands reclaimed therefrom to any governing authority of a
12 parish or municipality or any combination thereof, the Louisiana Wildlife and
13 Fisheries Commission, ~~the State Parks and Recreation Commission~~, and the
14 Louisiana State Department of Highways for use primarily for public recreational
15 purposes; provided, however, that said leases may only be entered into with the
16 aforementioned municipal and parish governing authorities or any combination
17 thereof, when the geographical territory encompassed by said governing authorities
18 is directly adjacent to the lake, bay, cove or any part thereof or the bed and bottom
19 thereof or lands reclaimed therefrom. In the case of leases to ~~the State Parks and~~
20 ~~Recreation Commission~~, the State Wildlife and Fisheries Commission, and/or the
21 State Department of Highways, said leases may be granted on a statewide basis
22 subject to all conditions and requirements as provided for under the provisions of this
23 Chapter. Subject to the approval of the register of the State Land Office, and with
24 the concurrence of the attorney general, the political body who has been granted a
25 lease under the provisions of this Chapter may place improvements in and on the
26 leased property, and after obtaining approval of the register may assign or sublease
27 such lease; provided, however, that any political body subleasing or assigning its
28 lease as herein authorized shall supervise its sublessee or assign to insure that the
29 terms and conditions of the original lease are observed, and provided, further, such

1 assignment or sublease shall be only to the highest responsible bidder after
2 advertisement in accordance with R.S. 41:1213 through 1215.1.

3 Any lease made by the register of the State Land Office pursuant to the
4 provisions of this chapter shall be on behalf of the state of Louisiana except that, as
5 to any lake, bay, cove and the bed and bottom thereof and land reclaimed therefrom,
6 or part thereof, not under the jurisdiction and control of the state of Louisiana, the
7 lease shall be made on behalf of the political body or entity having such jurisdiction
8 and control and only at its request.

9 (C) R.S. 49:966(B)(3)(b) is hereby amended and reenacted to read as follows:

10 §966. Review of agency rules; fees

11 * * *

12 B.

13 * * *

14 (3)

15 * * *

16 (b) The office of state parks ~~and the State Parks and Recreation Commission~~
17 shall submit the report to the House Committee on Municipal, Parochial and Cultural
18 Affairs and the Senate Committee on Natural Resources.

19 * * *

20 (D) R.S. 36:209(A)(2), R.S. 56:1681, and R.S. 49:966(B)(3)(b) are hereby repealed
21 in their entirety.

22 **Process Technology Advisory Board**

23 Section 21. R.S. 17:3398.2(B), (C), (D), and (E) and R.S. 36:651(K)(2) are hereby
24 repealed in their entirety.

25 **Rural Water Infrastructure Committee**

26 Section 22. R.S. 36:4(B)(18) and Part VII of Chapter 2 of Title 49 of the Louisiana
27 Revised Statutes of 1950, comprised of R.S. 49:220.31 through 220.33, are hereby repealed
28 in their entirety.

1 Louisiana Sentencing Commission

2 Section 23. Chapter 1-A of Title 15 of the Louisiana Revised Statutes of 1950,
3 comprised of R.S. 15:321 through 324, is hereby repealed in its entirety.

4 State Buildings and Lands Highest and Best Use Advisory Group

5 Section 24. Part XI-A of Chapter 1 of Title 39 of the Louisiana Revised Statutes of
6 1950, comprised of R.S. 39:332.1, is hereby repealed in its entirety.

7 Waste Tire Task Force

8 Section 25. Section 3 of Act No. 323 of the 2013 Regular Session of the Legislature
9 and Section 2 of Act No. 427 of the 2015 Regular Session of the Legislature are hereby
10 repealed in their entirety.

DIGEST

The digest printed below was prepared by House Legislative Services. It constitutes no part of the legislative instrument. The keyword, one-liner, abstract, and digest do not constitute part of the law or proof or indicia of legislative intent. [R.S. 1:13(B) and 24:177(E)]

HB 861 Reengrossed

2026 Regular Session

Mike Johnson

Abstract: Provides for the abolition of certain boards, commissions, authorities, like entities and related funds and abolishes the powers, functions, duties, and responsibilities of such entities, and removes references and related provisions.

Proposed law provides for the abolition of certain boards, commissions, authorities, like entities and related funds and abolishes the powers, functions, duties, and responsibilities of such entities, and removes references and related provisions all as follows:

Advisory Commission for La.'s Energy, Environment, and Restoration

Present law provides for the Advisory Commission for La.'s Energy, Environment, and Restoration within the Department of Conservation and Energy to support programs designed to demonstrate to the general public the importance of the La. oil and natural gas exploration, production, and service industry; encourage the wise and efficient use of energy; promote environmentally sound production methods and technologies; develop existing supplies of La.'s oil and natural gas resources; support research and educational activities concerning the oil and gas exploration and production industry; and cause remediation of historical oilfield environmental problems. Provides for the membership of the commission and requires the commission to develop an operational plan and legislative recommendations for the 2021 RS of the Legislature necessary to implement the operational plan by July 1, 2021.

Proposed law repeals present law.

Advisory Subcommittee of the Accountability Commission

Present law requires the Accountability Commission established by the State Board of Elementary and Secondary Education to convene an advisory subcommittee of the commission to report on and make recommendations regarding the overall effectiveness of

the evaluation program, including but not limited to any recommendations for changes to board policy or state law with respect to the following: the value-added assessment model as determined by the board, measures of student growth for grades and subjects for which value-added data are not available and for personnel for whom value-added data are not available as established by the board, and elements of evaluation and standards for effectiveness as defined by the board. Provides for membership of the subcommittee and requires a report of recommendations to be submitted prior to the beginning of the 2016 Regular Session of the Legislature.

Proposed law repeals present law.

La. Byways Commission

Present law creates the La. Byways Commission within the Dept. of Culture, Recreation and Tourism to provide for the preservation, enhancement, and promotion of special roads within the La. Byways Program that offer historical, cultural, scenic, natural, archeological, recreation, and economic resources for the state. Provides for the commission to be comprised of nine members. Grants the commission the power to make recommendations for additions or deletions of highways or segmentation of highways in the La. Byways Program, make recommendations regarding priorities for byways grants, develop promotional materials and campaigns of all types in support of the La. Byways Program and adopt and promulgate rules. Present law requires that any byway suggested to be included in the Louisiana Byways Program have approval of La. Byways Commission.

Proposed law repeals present law.

La. Centers of Excellence Financing Corporation

Present law authorizes the formation and incorporation of the La. Centers of Excellence Financing Corporation as a nonprofit corporation, the purpose of which shall be the financing of the design, acquisition, purchase, construction, renovation, improvement, equipping or expansion of centers of excellence to be leased to the La. Community and Technical Colleges System and used as centers of excellence. Provides that the corporation shall be governed by a board of seven directors. Provides for various powers and duties of the corporation, including the power to issue bonds and provides relative thereto.

Proposed law repeals present law.

Present law provides that upon dissolution of the corporation, title to all property owned by the corporation shall vest in the successor corporation created by the legislature, if any, if such successor corporation qualifies under §103 of the Federal Internal Revenue Code of 1986, as amended, to issue obligations the interest on which is exempt from federal income taxation. If no such successor corporation is so created, title to such property shall vest in the state.

Proposed law repeals present law.

Centers of Excellence Program

Present law provides that the Board of Supervisors of Community and Technical Colleges, with the approval of and in coordination with the Board of Regents, may establish a Centers of Excellence Program to provide customized educational and training programs to meet areas of need as identified by La. business and industry. Provides that the board may establish an advisory board composed of not more than seven members which shall have the duty to assist in the identification of the needs of business and industry, provide consultation regarding admissions, curriculum, equipment needs, tuition and fee models, and other aspects of the operation of a Center of Excellence.

Present law provides that the Center of Excellence may be established only with private sector support, including funding or the donation of land or equipment, and shall be operated on a business model conducive to real-time market responsiveness which provides for flexibility in pricing, service delivery, and administration.

Proposed law repeals present law.

Clerks of Court Certification Program Committee

Present law creates the clerks of court certification program committee to govern the La. Clerks of Court Certification Program. Provides for the committee to be composed of five members.

Proposed law repeals present law.

Present law requires that documents showing the successful completion of the certification program be submitted to and approved by the certification committee.

Proposed law repeals the requirement that approval be given by the certification committee.

Present law provides that if, on July 1, 1990, a clerk has completed certain educational and experience requirements and the documents showing the successful completion of the program have been submitted to and approved by the certification committee and said approval documented to the legislative auditor, the clerk shall be granted a 7% increase in compensation to his annual salary.

Proposed law repeals the requirement that approval be given by the certification committee.

Coastal Protection and Restoration Financing Corporation

Present law creates the Coastal Protection and Restoration Financing Corporation as a special purpose, public corporate entity, an instrumentality independent of the state that is a public corporate body, intended, and has a legal existence, separate and distinct from the state.

Present law provides for membership of the corporation board and provides that the corporation's purposes are, and it shall have the authority and powers, to carry out the financing, purchasing, owning, and managing of the Offshore Royalty Revenues and the Offshore Royalty Revenue Assets, the DWH NRD revenues and the DWH NRD assets, and the RESTORE revenues and the RESTORE assets, the corporation being vested with all the powers of a private corporation to effectuate the purposes of the corporation, to issue bonds as authorized by present law and refund any of such bonds.

Present law provides that the corporation shall have perpetual existence; provided, however, the board shall dissolve and terminate the existence of the corporation no later than two years after the date of final payment of all outstanding bonds and the payments or satisfaction of all other outstanding obligations and liabilities of the corporation, except to the extent necessary to remain in existence, and only for such additional time, as shall be necessary to fulfill any outstanding covenants or agreements with holders or other parties. Provides that upon dissolution of the corporation, title to all assets and properties of the corporation shall vest in and become the property of the state and shall be deposited in and credited to the Coastal Protection and Restoration Fund, and the corporation shall execute all necessary conveyances, assignments or other documents to establish and evidence such transfer and ownership, including all conveyances or assignments of all rights, title and interest to the offshore royalty revenues.

Proposed law repeals present law.

Encore Louisiana Commission

Present law creates the Encore Louisiana Commission as an agency of the state in the office of the lieutenant governor. Provides for membership and duties, including formulating a strategic plan for and taking other actions related to the attraction and retention of persons 50 years old and above. Authorizes the commission to adopt rules and regulations, in accordance with the Administrative Procedure Act.

Proposed law repeals present law.

Energy Code Commission

Present law creates the Energy Code Commission. Provides for membership and provides the primary function of the commission shall be to provide amendments to the code in order to address energy efficiency requirements to reduce the long term energy cost burden for building occupants.

Proposed law repeals present law.

Equal Pay Commission

Present law creates the Equal Pay Commission and provides the purpose of the commission is to serve as a collaborative working group to make a full and complete study of the extent of wage disparities, in both the public and private sector, between men and women, and between minorities and non-minorities; those factors which cause, or which tend to cause, such disparities, including segregation of women and men, and of minorities and non-minorities across and within occupations; payment of lower wages for occupations traditionally dominated by women and minorities; child-rearing responsibilities; and education and training; the consequences of such disparities on the economy and on affected families; and actions, including proposed legislation, that are likely to lead to the elimination and prevention of such disparities.

Proposed law repeals present law.

Floodplain Evaluation and Management Commission

Present law contingent on sufficient appropriations, requires the Floodplain Evaluation and Management Commission, no later than March 1, 2022, and at least once every five years thereafter, shall review and revise the statewide flood information database developed for the purpose of the systematic evaluation of drainage and flooding problems in the state. Requires the commission to review development proposals to ensure that no development in one parish or municipality will have a negative or detrimental effect in any other parish or municipality. The commission shall ensure that maintenance in any basin area across parish or municipal boundaries, including the clearing and de-snagging of the Amite and Comite Rivers, are performed according to any contractual obligations and state law. Provides for membership.

Proposed law repeals present law.

Present law requires that the final revision of the database to be furnished to the Joint Legislative Committee on Transportation, Highways and Public Works and the Flood Control Project Evaluation Committee prior to the beginning of the 2022 RS of the Legislature and every fifth year thereafter. However, that portion of the final revision encompassing the Amite River Basin shall be furnished to the committee and the Flood Control Project Evaluation Committee prior to the beginning of the 2020 RS of the Legislature. Prior to each legislative session beginning with the 2023 RS of the Legislature, the evaluation committee shall submit a recommended list of projects, including supporting

data, to the committee. The committee shall conduct hearings to receive the revision of the flood information database and the recommendations from the evaluation committee.

Proposed law repeals present law.

La. Health Plan

Present law provides for the creation of the La. Health Plan board of directors and for membership of the board, which shall submit a written report of the operation of the plan to the commissioner of insurance and the house and senate committees on insurance by April 1st of each year.

Proposed law repeals present law.

Housing and Transportation Planning and Coordinating Commission

Present law authorizes that La. Housing Corporation to establish the Housing and Transportation Planning and Coordinating Commission as an advisory committee. The primary purpose of this commission shall be to advise the corporation in coordinating the integration of planning and spending by local governments, parish and municipal governing authorities, redevelopment authorities, and the Dept. of Transportation and Development on housing and transportation needs. The commission shall recommend multiple modes of transportation and multiple types of housing developments to be planned so as to provide planned recreational growth, more fully integrated and livable communities, and effective spending of public funds for the betterment of life for La. citizens.

Present law provides that the commission shall create a statewide housing plan for state agencies and conduct a parish-by-parish assessment of housing. The assessment shall be conducted once every five years and the statewide housing plan shall be updated based on the most recent assessment. The commission shall advise and provide recommendations to the La. Housing Corporation board.

Proposed law repeals present law.

Hunting and Fishing Advisory Education Council

Present law provides for the Hunting and Fishing Advisory Education Council to be established within the Dept. of Wildlife and Fisheries to promote the many benefits of hunting and fishing among La. citizens and to educate the citizens of the state on those benefits. Provides for membership and requires the council to develop plans and strategies to promote public awareness that fees, taxes, and traditional expenditures of hunters and anglers provide financial support for the management of fish and wildlife resources, habitat conservation and management, and the enforcement of fish and wildlife laws, and contribute to the local and national economy.

Proposed law repeals present law.

Latino Commission

Present law establishes the Latino Commission within the executive branch of the state government in the office of the governor, domiciled in New Orleans and provides the composition of the commission. Provides for the powers and duties of the commission and provides the commission shall identify obstacles to the effective delivery of governmental services by all service providers at all levels of government to Latino Americans, and the commission shall propose methods for removing those obstacles from such delivery of services and submit its proposals to the appropriate governmental entity or entities.

Proposed law repeals present law.

Louisiana Juvenile Jurisdiction Planning Implantation Committee

Present law provides for the membership, duties, authority, and responsibilities of the committee which include the development of programs and policies that can safely reduce the number of youth in the juvenile justice system, including expanded use of diversion where appropriate; development and use of civil citation programs; use of evidence-based and promising services wherever possible; and reinvestment programs targeting the expanded use of community-based alternatives to secure, nonsecure, and pre-disposition custody; the development of comprehensive projections to determine the long-term distribution of placement capacity for youth in the juvenile justice system; and an analysis of the impact of the expansion of juvenile jurisdiction to persons seventeen years of age on state agencies and a determination of which state agencies shall be responsible for providing relevant services to juveniles, including but not limited to mental health and substance abuse services, housing, education, and employment.

Proposed law repeals present law.

La. Music Trail Commission

Present law establishes the La. Music Trail Commission for the purpose to commemorate and to promote awareness and encourage enjoyment of the stories, biographies, and points of interest in blues, rock and roll, country, zydeco, cajun, jazz, rhythm and blues, hip-hop, swamp pop, gospel, and other music types throughout La. Provides the Dept. of Culture, Recreation, and Tourism may establish a process and criteria for adding routes to the music trail and provides any political subdivision may request that a specified segment of a state or U.S. highway be included in the trail. Provides for the composition and duties of the commission.

Proposed law repeals present law.

Louisiana Quincentenary Commission

Present law provides for membership, and provides the commission promote and coordinate activities to commemorate the quincentennial of the voyages of Christopher Columbus.

Proposed law repeals present law.

State Parks and Recreation Commission

Present law creates the State Parks and Recreation Commission with the purpose to promote the goals and objectives of the office of state parks and act in an advisory capacity to that office and its assistant secretary and the secretary of the department in matters relating to parks, recreation, facilities, programs, and the efficient administration thereof. Provides for the composition of the commission and provides the term each appointed member shall serve.

Proposed law repeals present law.

Process Technology Advisory Board

Present law provides the Board of Supervisors of the Louisiana Community and Technical College System shall establish an advisory board, to be known as the Process Technology Advisory Board, which shall assist the board of supervisors in developing and maintaining two-year associate degree programs in process technology. Provides for the composition of the advisory board. Provides the advisory board shall provide statewide coordination of the La. process technology education program as a whole and shall address multi-regional issues and coordinate regional process technology efforts at the state level and further provides the mission of the advisory board.

Proposed law repeals present law.

Rural Water Infrastructure Committee

Present law provides for the composition of the committee. Provides for the duties and functions of the committee and requires the committee to make recommendation.

Proposed law repeals present law.

La. Sentencing Commission

Present law creates the La. Sentencing Commission and provides the commission shall conduct a continuous review of the state's sentencing structure based upon existing criminal law and law relative to criminal procedure. Provides the commission can make recommendations on sentencing and post-conviction relief legislation. Provides the commission shall also conduct a comprehensive review of La.'s current sentencing structure, sentencing practices, probation and parole supervision, and the use of alternatives to incarceration. Provides the commission is under the jurisdiction of the La. Commission on Law Enforcement and Administration of Criminal Justice in the office of the governor. Provides for composition of the commission. Provides for staffing and administrative support for the commission.

Proposed law repeals present law.

State Buildings and Lands Highest and Best Use Advisory Group

Present law creates the State Buildings and Lands Highest and Best Use Advisory Group to be composed of the director of the office of facility planning and control, the director of the office of state lands, the director of the office of risk management, and the director of the office of statewide reporting and accounting policy or their designees. Provides the advisory group may advise the commissioner of administration on all matters relating to state-owned property and development opportunities for the state to enter into public-private development partnerships with private, non-profit or public partners, chosen by competitive bid, in order to develop and manage state-owned real estate in a manner that achieves the highest and best use of the property. Requires that, by Nov. 1 each year, each executive branch including higher education agencies, in cooperation with the parish planning authority or parish governing authority of the parish in which the property is located, report to the advisory group any land or buildings under the control of such agency that, in the estimation of the agency, is being underutilized or may represent an opportunity to be developed in accordance with the highest and best use of the property.

Proposed law repeals present law.

Present law provides that the advisory group shall review and analyze the agency reports and shall, not later than Jan. 15 each year, make recommendations to the commissioner of administration regarding which properties present the most promise for development or including public-private development of such properties. Provides that the commissioner shall review the list of properties recommended by the advisory group and finalize the list by accepting the list or by removing properties from the list. At the regular March meeting of the Joint Legislative Committee on the Budget, the commissioner of administration shall present the final list of such properties with a plan for the development of the highest and best use of such properties.

Proposed law repeals present law.

Waste Tire Task Force

Present law creates a Waste Tire Program Task Force. Provides the task force is charged with the responsibilities to study, report, and make recommendations on the Dept. of Environmental Quality's waste tire program, including the laws, rules, and regulations governing the program and the fee structure and financial obligations of the program, and to submit a report of its findings and recommendations to the House Committee on Natural Resources and Environment and the Senate Committee on Environmental Quality annually. Provides for the composition of the task force.

Proposed law repeals present law.
