

RÉSUMÉ DIGEST

ACT 254 (SB 218)

2026 Regular Session

Talbot

Existing law provides that the required training programs for registrar of voters staff be provided through courses of the Certified Elections Registration Administrator program administered through Auburn University and the Election Center, a national certification designation.

New law retains existing law but provides an option to take training from a substantially equivalent program approved by the State Board of Election Supervisors.

Effective August 1, 2026.
