

RÉSUMÉ DIGEST

ACT 607 (SB 228)

Proposed constitutional amendment provides an additional exception by authorizing the use of public funds by a political subdivision for the purpose of identifying, inventorying, removing or replacing drinking water utility service lines made of or affected by materials as specified or prescribed by the Lead and Copper Rule Improvements of the U.S. Environmental Protection Agency, promulgated October 30, 2024, or subsequent promulgation, on property owned by utility customers.

Provides for submission of the proposed amendment to the voters at the statewide election to be held on November 3, 2026.
