

RÉSUMÉ DIGEST

ACT 378 (SB 290)

2026 Regular Session

Abraham

Existing law provides for a standardized data collection system to provide for the regular collection and reporting of certain student data.

Prior law required the La. Dept. of Education to obtain concurrence from the local public school system prior to changing the exit code assigned to a student by the school system.

New law requires the La. Dept. of Education to obtain concurrence of the local public school system prior to assigning an exit code to a student that differs from the exit code assigned to a student by the school system.

Effective May 22, 2026.
