

RÉSUMÉ DIGEST

ACT 181 (HB 858)

2026 Regular Session

Riser

Existing law generally provides for access to public records and provides for exemptions from the public records requirements.

New law adds an exemption to the public records laws for global positioning system data on wildlife and aquatic life that is collected by or in the possession of the Dept. of Wildlife and Fisheries that would reveal the location of individual animals.

Effective August 1, 2026.
