

1 programs related thereto, and the encouragement of participation in such
2 efforts by private enterprise.

3 (2) It is the policy of the state to enable the governing body of parishes
4 and municipalities to promote the safety, health, morals and welfare, comfort
5 and security of the people of the state through the provision of adequate, safe,
6 and sanitary accommodations and facilities incidental or appurtenant thereto,
7 for persons and families of all income levels.

8 (3) It is the policy of the state to promote a vigorous and growing
9 economy, to prevent economic stagnation, and to encourage the creation of new
10 job opportunities, to increase revenues to the state and to its parishes and
11 municipalities and to achieve stable and diversified local economies. In
12 furtherance of these goals, it is the policy of the state to enable the governing
13 authority of parishes and municipalities to retain existing zoning and planning
14 initiatives, and to develop sites, reasonably accessible to residential facilities, for
15 new performing art and commercial building, in hopes that industrial and
16 commercial development of the area will proceed in sound fashion and in
17 coordination with smart growth development of housing, mass transportation
18 and public services.

DIGEST

SB 454 Engrossed

2016 Regular Session

Barrow

Proposed law declares that the policy of the state is to promote smart growth developments of parishes and municipalities by enabling them to undertake the correction of deficient conditions, factors and characteristics through comprehensive and coordinated community development, the formulation, participation in, and adoption of public and private improvement programs related thereto and the encouragement of participation in such efforts by private enterprise.

Proposed law provides for the following definitions:

- (1) "Governing body" means the legislative body, commission, council, board or aldermen, police jury, or other body charged with governing the parish or municipality.
- (2) "Master plan" means the comprehensive plan of the parish or municipality.

- (3) "Smart growth development" means one or more works, undertakings and activities for the development, redevelopment, improvement, construction, rehabilitation or conservation of structures, facilities and appurtenances in an area which is intended to result in a new community including the activities to carry out a new community development plan.

Effective upon signature of the governor or lapse of time for gubernatorial action.
