

RÉSUMÉ DIGEST

ACT 270 (SB 106)

2016 Regular Session

Boudreaux

Prior law authorized each clerk of a district court and the Second City Court in the city of New Orleans to issue short-form birth certificate cards and long-form birth certificates and death certificates. Provided that in addition to fees collected for issuance of a birth record or death certificate, the clerk shall collect a fee of five dollars for a short-form birth certificate and nine dollars for a long-form birth certificate or death certificate.

New law retains these provisions and provides that a short-form birth certificate card can be purchased only by an individual who also purchases a long-form birth certificate in the same transaction.

Effective upon signature of the governor (May 27, 2016).
