The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Angela L. De Jean.

DIGEST 2016 Regular Session

SR 141 Original

Carter

Urges the Dept. of Public Safety and Corrections, public safety services, to study and make recommendations relative to fees and payment methods available to students for driver education courses.

Requests a report of its findings and recommendations to the legislature no later than February 1, 2017.
