The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Angela L. De Jean.

DIGEST 2016 Regular Session

SR 142 Original

Carter

Requests the La. State Law Institute to study and make recommendations regarding the feasibility of revisions to present laws to require physical custody of children to be shared equally.

Requests a report of its findings and recommendations to the legislature no later than February 1, 2017.
