The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by James Benton.

DIGEST 2016 Regular Session

SCR 134 Original

Morrell

Creates and provides for the La. Workplace Wellness Study Commission to study the importance of healthy vending on state-operated properties. Requires report to be submitted to the Senate president, House speaker, La. Supreme Court chief justice, and governor and also to commissioner of administration for distribution to all state executive branch agencies no later than October 1, 2016.
