

RÉSUMÉ DIGEST

SR 164

2016 Regular Session

Bishop

Requests the Senate Committee on Education and the Senate Committee on Revenue and Fiscal Affairs to meet jointly, in conjunction with the Board of Regents and the Board of Supervisors of the Southern University System, together with the presidents of all campuses, the law school, and Agricultural and Mechanical College, to develop a plan of action concerning the decline of buildings and facilities at Southern University.

Requires the plan to be submitted to the Senate no later than February 1, 2017.
