EXPENDITURE EXPLANATION

Proposed law may result in an indeterminable increase in SGF expenditures for the Department of Public Safety and Corrections - Corrections Services if a defendant is convicted of the crime of providing false, nonexistent, or incomplete declaration of residence for bail when the bail is to assure the presence of the defendant for those cases defined as felonies in Title 14 (Criminal Law) and in the Uniform Controlled Dangerous Substances Law. The maximum imprisonment term imposed is two years at hard labor.

SGF expenditures will increase by \$51.68 per offender per day if offenders are housed in state facilities and \$24.39 for state offenders housed in local facilities. Offenders sentenced to the custody of the Department of Public Safety and Corrections - Correction Services for one year would increase SGF expenditures by \$18,863 (\$51.68 per day x 365 days) if housed in a state facility and \$8,902 (\$24.39 per day x 365 days) if housed in a local facility. Approximately 50% of state offenders are housed in state facilities and approximately 50% of state offenders are housed in local facilities.

To the extent an offender serves the maximum of two (2) years, the cost in a state facility would be \$37,726 (1 offender x \$18,863 per year x 2 years) or \$17,804 (1 offender x \$8,902 per year x 2 years) if a state offender is housed in a local facility.

There may be an indeterminable increase in expenditures for local governing authorities if a defendant is convicted of the crime of providing false, nonexistent, or incomplete declaration of residence for bail when the bail is to assure the presence of the defendant for those cases defined as misdemeanors in Title 14 (Criminal Law) and in the Uniform Controlled Dangerous Substances Law. The maximum imprisonment term imposed is six months, or a maximum fine of \$500, or both.

REVENUE EXPLANATION

The proposed law may result in an indeterminable increase in local funds revenue as a result of potential fines imposed for providing false, nonexistent, or incomplete declaration of residence for bail when the bail is to assure the presence of the defendant for those cases defined as misdemeanors in R.S.14 and in the Uniform Controlled Dangerous Substances Law. The maximum fine is \$500. The potential revenue will accrue to the local governing authority.
