2016 Regular Session

Hunter

New law provides that it is unlawful for someone to intentionally claim more than one homestead exemption.

New law provides criminal penalties which require imprisonment for up to six months, a fine not to exceed \$500, or both.

New law provides that a person convicted of new law shall be ordered to make full restitution to the state or governmental subdivision who has suffered a financial loss as a result of the offense. If a person ordered to make restitution is found to be indigent and therefore unable to make restitution in full at the time of conviction, the court shall order a periodic payment plan consistent with the person's financial ability.
