

## RÉSUMÉ DIGEST

ACT 597 (HB 1001)

2016 Regular Session

Jefferson

Existing law provides that the following information must be included in each apprenticeship agreement:

- (1) The names and signatures of the contracting parties.
- (2) The date of birth of the apprentice and his social security number if he chooses to disclose it.
- (3) Contact information of the program sponsor and the registration agency.
- (4) A statement of the occupation in which the apprentice will be trained, the date the training will begin, and the duration of the apprenticeship.
- (5) A statement which includes the number of hours the apprentice will spend on the job or the skill-set he will attain, as well as the number of hours he will spend in technical instruction.
- (6) A statement setting forth the schedule of work processes and the goal the apprentice will attain in the occupation, as well as the amount of time he will spend doing so.
- (7) A statement indicating whether or not the instruction will be compensated and, if applicable, of a scale of wages that will be paid.
- (8) A statement indicating the terms and conditions of a probationary period.
- (9) Any additional terms required or approved by the director that are consistent with existing law.

New law retains existing law.

Existing law specifies that nothing in any apprenticeship law or an apprenticeship agreement can invalidate any of the following:

- (1) An apprenticeship provision in an collective bargaining agreement that establishes higher standards than set forth in existing law.
- (2) Any provision that is contrary to anti-discrimination protections in existing law.

New law retains existing law and adds a third limitation that prohibits any apprenticeship law or agreement from invalidating any special provision that affects veterans, minorities, or women contained in the apprenticeship program standards, qualifications, agreement, or program operating procedures.

Effective upon signature of governor (June 17, 2016).
