

RÉSUMÉ DIGEST

HR 186

2016 Regular Session

Connick

Urges and requests the Dept. of Environmental Quality, in cooperation with the office of public safety services in the Dept. of Public Safety and Corrections, to study the feasibility of sharing data with first responders from certain facilities equipped with internal real-time air emission monitors and to report the study's findings to the House Committee on Natural Resources and Environment on or before February 15, 2017.
