HB 50 Original

2017 Regular Session

Dwight

**Abstract:** Requires the sheriff to use electronic monitoring to supervise inmates participating in a work release program.

Present law provides for the establishment of work release programs administered by the sheriff.

Proposed law retains present law and requires the sheriff of each parish to require an inmate participating in the work release program to wear an electronic monitoring device during the hours of his employment.

(Amends R.S. 15:711(B))
