HB 459 Original

2017 Regular Session

Bacala

Abstract: Creates a task force on coordination of Medicaid fraud detection and prevention initiatives and provides for purposes and duties of the task force.

Proposed law creates a six-member task force on coordination of Medicaid fraud detection and prevention initiatives (hereafter, the "task force") within the office of the attorney general.

Proposed law authorizes appropriation by the legislature of monies in the Medical Assistance Programs Fraud Detection Fund for activities of the task force.

Proposed law provides that the task force shall be composed of the following members:

- (1) The attorney general or his designee.
- (2) One member appointed by the attorney general who has expertise in fraud detection and prevention.
- (3) The legislative auditor or his designee.
- (4) One member appointed by the legislative auditor who has expertise in fraud detection and prevention.
- (5) One member of the House of Representatives appointed by the speaker of the House of Representatives.
- (6) One member of the Senate appointed by the president of the Senate.

Proposed law provides that the task force shall include the following nonvoting advisory members, and provides that these advisory members shall cooperate with and assist in the efforts of the task force upon request of the task force chairman:

- (1) One advisory member appointed by the secretary of the La. Department of Health.
- (2) One advisory member appointed by the secretary of the Department of Revenue.

Proposed law provides that at its first meeting, the task force shall select one eligible member to serve as chairman. Provides that any member except a legislator shall be eligible to serve as

chairman of the task force.

Proposed law requires the task force to adopt rules of procedure and any other policies as may be necessary to facilitate the work of the group. Authorizes the task force to form subcommittees for examination of special topics and issues within the overall subject matter of Medicaid fraud detection and prevention.

Proposed law provides that the purposes of the task force shall include the following:

- (1) To study and evaluate on an ongoing basis the laws, rules, policies, and processes by which the state implements Medicaid fraud detection and prevention efforts.
- (2) To identify and recommend opportunities for improving coordination of Medicaid fraud detection and prevention initiatives across state agencies and branches of state government.
- (3) To identify any systemic or systemwide issues of concern within the Medicaid program with respect to fraud, waste, and abuse.
- (4) To develop recommendations for policies and procedures by which to facilitate and implement all of the following:
 - (a) Random sampling of Medicaid cases to be selected for verification of enrollee eligibility.
 - (b) Improvements in the Medicaid program integrity functions of the La. Department of Health.
 - (c) Optimization of data mining among state-owned data sets for purposes of Medicaid fraud detection and prevention.
- (5) To make reports to the governor and to the legislature as provided in proposed law.

Proposed law provides that or before Jan. 1, 2018, and semiannually thereafter, the task force shall prepare and submit to the governor and the legislature a report concerning the status of Medicaid fraud detection and prevention initiatives and the status of efforts to coordinate such initiatives across state agencies and branches of state government. Provides that the report shall include information, analysis, and commentary related to each purpose of the task force enumerated in proposed law, and may include any other information as the task force deems necessary or appropriate.

Proposed law requires the attorney general to convene the task force on or before Sept. 1, 2017.

Proposed law creating and providing for the task force terminates on Aug. 1, 2018.
