A JOINT RESOLUTION

Proposing to add Article VII, Section 21(N) of the Constitution of Louisiana, relative to ad valorem tax exemptions; to authorize local economic development authorities or districts, or parish governing authorities to exempt offshore vessels from ad valorem taxes; and to specify an election for submission of the proposition to electors and provide a ballot proposition.

Section 1. Be it resolved by the Legislature of Louisiana, two-thirds of the members elected to each house concurring, that there shall be submitted to the electors of the state, for their approval or rejection in the manner provided by law, a proposal to add Article VII, Section 21(N) of the Constitution of Louisiana, to read as follows:

§21. Other Property Exemptions

Section 21. In addition to the homestead exemption provided for in Section 20 of this Article, the following property and no other shall be exempt from ad valorem taxation:

\* \* \*

N.(1) Notwithstanding any contrary provision of this Section, the authority or district charged with economic development of each parish is

1 hereby authorized to enter into contracts for the exemption from parish,  
2 municipal, and special ad valorem taxes on offshore vessels. In the absence of  
3 the existence of an economic development authority or district, the parish  
4 governing authority is authorized to grant contracts of exemption as are  
5 provided for in this Paragraph.

6 (2) The contract for exemption shall be on such terms and to the extent,  
7 up to, and including the full assessed valuation of an offshore vessel, as the  
8 economic development authority or district deems in the best interest of the  
9 parish. Prior to entering into each individual contract, the economic  
10 development authority or district shall request and receive written approval of  
11 the contract, including its terms and an estimated fiscal impact, from each  
12 affected tax recipient body in the parish, as evidenced by a favorable vote of a  
13 majority of the members of the governing authority of each tax recipient body.  
14 Failure to receive all required approvals from the tax recipient bodies before  
15 entering into a contract shall render the contract null and void and of no effect.

16 (3) The term "offshore vessel" as used herein means a vessel principally  
17 operated within Outer Continental Shelf Lands Act Waters.

18 Section 2. Be it further resolved that this proposed amendment shall be submitted  
19 to the electors of the state of Louisiana at the statewide election to be held on November 6,  
20 2018.

21 Section 3. Be it further resolved that on the official ballot to be used at said election  
22 there shall be printed a proposition, upon which the electors of the state shall be permitted  
23 to vote YES or NO, to amend the Constitution of Louisiana, which proposition shall read as  
24 follows:

25 Do you support an amendment to authorize economic development districts,  
26 authorities, or parish governing authorities to exempt offshore vessels from  
27 ad valorem taxation?

28 (Adds Article VII, Section 21(N))
