WHEREAS, to address this need, MY LIFE, a free community youth program for youth between the ages of 13 and 23 years who have experience with mental health, substance abuse, foster care-related and/or other challenges, was established in Arizona in 2008 by Magellan Health; and

WHEREAS, through regular meetings, special events, presentations, and performances, MY LIFE members provide support for their peers; develop critical skills in leadership, mentoring, and mental health resiliency; act as advisors to Magellan and local officials to help improve services and systems that serve youth; and provide a much needed voice in the community to combat the stigma associated with behavioral health issues; and

WHEREAS, in 2016, Magellan Health partnered with Ekhaya Youth Project to enhance and expand MY LIFE in Louisiana, starting new MY LIFE groups in Lafayette and New Orleans in April 2016, and groups serving other parts of the state soon to follow; and
