Subject: Confidentiality of Tobacco Records, Eligible Recipients		

TOBACCO/TOBACCO PRODUCTS REF NO IMPACT GF RV See Note Page 1 of 1
 Requires confidentiality and prohibits disclosure of information received by the state regarding the Non-participating Manufacturer (NPM) Adjustment Settlement Agreement.

Current law provides that the state may share confidential tax records with professional services firms retained for the purpose of calculating tobacco tax revenue owed as a result of the Master Settlement Agreement executed on November 23, 1998, and any subsequent agreements pertaining to the Master Settlement Agreement.

Proposed law specifies an expanded list of entities eligible to receive confidential information including a court, arbitrator, legal counsel, expert witnesses, or certain data clearinghouses. It names the NPM Adjustment Settlement Agreement as a subsequent agreement pertaining to the Master Agreement Settlement, and provides that information received pursuant to this agreement is confidential and can only be disclosed in accordance with the terms of the NPM Adjustment Settlement Agreement or pursuant to an order from a court or competent jurisdiction. It also specifies that the Secretary of Revenue may not disclose the address of a taxpayer who has filed an income or corporate franchise return.
 Effective July 1, 2017.
