

RÉSUMÉ DIGEST

ACT 153 (HB 475)

2017 Regular Session

Gisclair

Existing law authorizes the Wildlife and Fisheries Commission to establish a crab trap removal program. Specifies the time periods within which crab traps can be prohibited.

New law retains existing law and adds that crab traps may be prohibited when crab season is closed for biological or technical reasons for the duration of the closure.

Effective August 1, 2017.
