

RÉSUMÉ DIGEST

ACT 13 (HB 378)

2017 Regular Session

Anders

Existing law defines "structured settlement annuity" for purposes of the La. Life and Health Insurance Guaranty Association Law and provides for the conditions under which the La. Life and Health Insurance Guaranty Association (LLHIGA) shall cover structured settlements. Existing law further provides for the types of policies, contracts, or plans for which LLHIGA shall not provide coverage.

New law retains existing law on the types of policies, contracts, or plans excluded from coverage and further excludes structured settlement annuity benefits to which a payee or beneficiary has transferred his or her rights in a "structured settlement factoring transaction" as defined in the Internal Revenue Code.

New law does not apply to structured settlement annuity benefits transferred to children, present or former spouses, or other dependents as part of domestic relations settlements or orders, or to other transferees, including donees, who acquire rights to receive structured settlement annuity benefits without providing any monetary consideration.

Effective July 1, 2017.
