The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Alan Miller.

DIGEST 2018 Regular Session

SB 432 Original

Chabert

<u>Present law</u> requires the CPRA board to develop a coastal master plan when necessary, or at a minimum, every five years.

Proposed law changes the five year requirement to four years.

Effective August 1, 2018.

(Amends R.S. 49:214.5.3(A)(1))
