DIGEST

SB 220 Engrossed 2018 Regular Session Carter

Present law requires the office of facility planning and control and any state agency authorized to administer capital outlay appropriations to submit to the Joint Legislative Committee on Capital Outlay, an annual written report no later than February first, on information regarding each project in the prior year's capital outlay budget. Proposed law retains present law.

Proposed law requires the office of facility planning and control and any state agency authorized to administer capital outlay appropriations to submit to the Joint Legislative Committee on Capital Outlay, an annual written report no later than January 15 of the nonstate projects included in the current year's capital outlay budget which has been funded by the legislature, which:

- (1) The cooperative endeavor agreement or any amendments thereto, with the state have not been fully executed. The project manager and the nonstate entity shall give a written explanation as to why the agreement has not been fully executed.
- (2) The nonstate projects which have a fully executed cooperative endeavor or amendment but which have not received the approval of the office of facility planning, of a proposed contract for the design or engineering of the project, including an explanation by the project manager and the nonstate entity as to the reason the contract has not been fully approved.
- (3) The nonstate projects which have a fully executed cooperative endeavor, have completed the design phase, and have not begun the construction phase of the project, including an explanation of the reasons that construction has not begun by the project manager and the nonstate entity.

Proposed law provides that a copy of each report shall be sent to each member of the legislature whose district includes one or more projects on the list.

Effective upon signature of the governor or lapse of time for gubernatorial action.
