DIGEST

SB 36 Engrossed

2018 Regular Session

John Smith

<u>Present law</u> provides continuing education requirements for renewal of an insurance producer's La. license. Exempts licensees who are at least 65 years old under certain circumstances.

<u>Proposed law</u> retains <u>present law</u> and exempts any nonresident licensee who meets the continuing education requirements for his home state and whose home state gives continuing education credit to resident licensees of this state on a reciprocal basis.

Effective August 1, 2018.
