DIGEST

SB 272 Engrossed

2018 Regular Session

John Smith

Proposed law requires every health insurance policy issued in this state to provide health care insurance coverage for an insured who is incarcerated but who has not been adjudicated or convicted of a criminal offense.

Proposed law applies only if the detainee has a valid health insurance policy in effect at the time medical treatment is received.

Proposed law applies to all health insurance policies in effect on January 1, 2018, and upon renewal thereof and to all policies issued on August 1, 2018, or later.

Effective August 1, 2018.
