EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

Southern University anticipates the sign and installation costs to be donated to relieve the university of responsibilities associated with the purchase of a sign. If this legislation is passed, the school's administration along with the donor would select a time in FY 19 to purchase and install the sign.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
