## EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. This measure codifies the federal Indian Child Welfare Act into state law relative to identifying an Indian child and notifying his tribe in a case in which a child may be removed from a parent. DCFS' existing policies and procedures comply with the federal law; therefore, there is no fiscal impact to the department.

## REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
