SB 385 Engrossed DIGEST Chabert  
2018 Regular Session

Present law contains several references to agencies, such as the office of forestry and the Dept. of Public Works, that have changed names or have been consolidated with other agencies with regard to the state land office.

Proposed law corrects statutory references that remained after the transfer of the state land office from the Dept. of Natural Resources to the div. of admin.

Proposed law changes references of the Dept. of Natural Resources to state land office, Dept. of Public Works to DOTD, and office of forestry to Dept. of Ag. and Forestry, office of forestry.

Effective August 1, 2018.
