Provides relative to the allocation of incarcerated persons for the purposes of all redistricting by the legislature

Present law requires that the tabulation of population of each decennial census reported and transmitted by the U.S. Census Bureau under the provisions of Public Law 94-171 be the sole basis for the establishment of legislative districts, and prohibits any other or subsequent tabulation of population from being considered or utilized in such reapportionment. Proposed law requires the secretary of correction services, the deputy secretary of youth services, each sheriff, and each chief law enforcement of a municipality that operates a correctional facility to submit a report to the legislature, no later than September 1 of the year the federal decennial census, containing the following information for each incarcerated person under his respective jurisdiction: a unique identifier, not including the person's name; street address of the correctional facility in which such person was incarcerated on April 1 of that year; residential address of such person immediately prior to incarceration, if known; and age, sex, and race of the person. Proposed law requires the legislature to request the same information no later than July 1 from the Federal Bureau of Prisons to be submitted no later than September 1. Furthermore, proposed law provides that the designated staff of the legislature shall utilize information submitted pursuant to proposed law and prepare a draft adjustment of population and publish it on the website of the legislature.

**EXPENDITURE EXPLANATION**

The Legislative Budgetary Control Council anticipates increased costs to implement the proposed legislation. Anticipated costs contemplate contracting with a third party vendor to geocode the data received from the various facilities with an estimated cost of \$50 K to \$75 K, however the exact costs are indeterminable.

Correction Services anticipates minimal costs associated with the collection and compilation of the aforementioned information of each incarcerated person in a correctional facility on April 1, 2020. The information compiled must be submitted to the legislature no later than September 1, 2020.

The Secretary of State and Youth Services do not anticipate any associated costs, and report there will be no changes to the current practice. Sheriffs, local law enforcement agencies, and federal prisons in Louisiana may also incur minimal costs, however no information has been provided. Census information is collected every 10 years, and the upcoming census will be conducted in 2020.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
