HB 760 Original

2018 Regular Session

Jay Morris

Abstract: Requires each department, agency, official, employee, or other entity of the executive branch of state government to promptly make available all information requested by the legislature.

Proposed law provides that the legislature shall have access to all information that the governor may access relative to the programs, services, and activities of the executive branch of state government.

Proposed law requires each department, agency, official, employee, or other entity of the executive branch of state government to promptly make available all information requested by the legislature and to in all ways cooperate with the legislature by providing any and all information the legislature deems necessary in assisting the legislature to perform and discharge its powers, functions, and duties.

Proposed law provides that a request for information pursuant to proposed law shall not be required to be made in any particular form. Provides that members of the legislature may enter any building or office where officials or employees of the executive branch of state government conduct the business of the state and may question any such official or employee concerning such business.

Proposed law provides that no department, agency, official, employee, or other entity of the executive branch of state government shall invoke any privilege or utilize any other impediment to deny the provision of any requested information to the legislature. Provides, however, that any information that is deemed confidential or privileged by law and that is provided to the legislature shall maintain its confidential or privileged status and shall be protected from unauthorized use and disclosure. Requires the person or entity providing any confidential or privileged information to the legislature to clearly mark the information as confidential or privileged. Provides that the disclosure of any confidential or privileged information by a department, agency, official, employee, or other entity of state government to the legislature shall not be deemed a waiver of any right, limitation, privilege, or confidentiality regarding such information. Prohibits the legislature from disclosing any confidential or privileged information provided pursuant to proposed law to any person outside the legislature, and requires such information to be used solely for the purpose of analysis, compilation of general statistical data, oversight, program evaluation, and policy development.

Proposed law provides that any information provided to the legislature in accordance with proposed law shall be provided without cost or charge to the legislature.

Proposed law provides that if a department, agency, official, employee, or other entity of the

executive branch of state government fails to timely provide information requested pursuant to proposed law, either by refusing to provide the information or by the passage of five days, exclusive of Saturdays, Sundays, and legal public holidays, from the date of the request, the appropriate legislative officer shall institute proceedings in the district court for the parish where the state capitol is located for the issuance of a writ of mandamus to compel the production of the information.

Proposed law provides definitions.
