DIGEST

SB 337 Engrossed 2018 Regular Session Riser

Present law (R.S. 3:4601 et sq.) provides for the Louisiana Weights and Measures Law, which sets the standards and requirements for the sale of all agriculture commodities. Further requires the Department of Agriculture and Forestry to supervise the weights, measures, and weighing and measuring devices offered for sale, sold, and used in the state.

Proposed law retains present law.

Proposed law exempts the sale of shelled field corn from the Louisiana Weights and Measures Law if the net weight of the shelled field corn is verified by a National Institute of Standards and Technology (NTEP) certified scale prior to distribution of the corn.

Effective August 1, 2018.
