29 \* \* \*

Present law requires the UCG to provide semiannual reports to the governor and entities in the statewide plan.

Proposed law changes the present law reporting requirement from a semiannual report to an annual report.

Present law provides for three permanent subcommittees of the UCG.

Proposed law amends the membership of the first responders subcommittee and adds a fourth subcommittee (the long term recovery subcommittee), and provides for its membership and duties.

Proposed law creates a Statewide Cemetery Response Task Force and provides for its membership, powers, and duties. Provides for the appointment of a chairman and of a designee for each task force member. Provides that the task force, acting pursuant to proposed law may not supplant the authority of an individual cemetery authority that seeks to manage its own disaster response and communicates that desire in writing to the task force.

Present law provides for powers of parish presidents in disasters or emergencies. Provides for the declaration of a state of emergency by a parish president and provides that they may be terminated by executive order or proclamation for a period of time not to exceed 30 days unless extended by the parish president.

Proposed law retains present law but removes the 30-day limitation.

Present law provides for limitations of liability for certain employees and agents of the state or political subdivisions in homeland security and emergency preparedness activities, except in the case of willful misconduct.

Proposed law retains present law and provides that GOHSEP, each parish homeland security and emergency preparedness agency, the state, political subdivisions of the state, and other agencies engaged in homeland security, emergency preparedness, response and recovery activities shall also be immune from claims based on the exercise or performance of, of the failure to exercise or perform, certain homeland security and emergency preparedness activities.
