1 AMENDMENT NO. 1

2 On page 1, line 6, after "liability;" and before "and" insert "to provide for certain publically
3 available mapping systems;"

4 AMENDMENT NO. 2

5 On page 2, after line 20, add the following:

6 "G. The administrator of the state land office is directed to survey
7 and map all lands over which the running waters of the state pass, including
8 waters passing over any privately owned water bottom which has a direct
9 natural or man-made inlet or outlet to a state-owned water bottom that is
10 subject to the ebb and flow of the tide of the Gulf of Mexico and the tidally
11 influenced arms and tributaries passing through the coastal areas of this state,
12 using conventional and global positioning system surveying technology, and
13 geographic information system computerized mapping technology. The
14 administrator shall maintain for public use and access, an index and file for
15 all surveys prepared pursuant to this Subsection."
