MOVABLE PROPERTY EN NO IMPACT GF EX See Note Page 1 of 1
Provides with respect to administration, disposition, enforcement, and adjudication of state and local taxes, fees, and receipts and the Board of Tax Appeals. (gov sig)

Proposed law establishes procedures for several functions of the Board of Tax Appeals (BTA) and collectors. These functions include notices of assessments, requests for redetermination or judicial review, appeals, refunds for overpayment, payment under protest, and posting of security for unpaid taxes, interest, or penalties. Proposed law generally provides for additional options for BTA, collectors, or taxpayers in support of these functions, but does not mandate their use. Proposed law imposes additional requirements on dealers, including requirements for record retention and collector notification.

Proposed law increases the requirement for the number of attorneys on the Board who must have tax law experience from two to three, and requires that two of the three must be certified as a Tax Law Specialist or possess a Masters of Law in Taxation or Tax Law.

Proposed law exempts the use of certain local funds from information technology procurement requirements, and specifies that new notice requirements apply only to assessments issued on or after July 1, 2018. Governor's signature.
