**Digest of Bill as Finally Passed by Senate**

Present law allowed the commissioner, prior to Aug. 1, 2016, to waive all state application fees, or provide a credit for the fee, when a permit is not issued within three business days after receipt of a properly completed application for an alcohol beverage permit.

Proposed law removes this provision which allowed the commissioner to waive the state application fee, or provide a credit for the fee, for permits when the permit was not issued within three business days after receipt of application.
