SB 336 Engrossed

2018 Regular Session

Riser

Present law provides that the La. Workforce Commission and all the statutory entities made a part of that department by law shall begin to terminate their operations on July 1, 2018, and that all legislative authority for such entities shall cease as of July 1, 2019, unless the legislature enacts a bill authorizing the re-creation of the department and its statutory entities prior thereto.

Proposed law provides for the general re-creation of the La. Workforce Commission and its statutory entities, effective June 30, 2018, in accordance with the "sunset" law. Proposed law supersedes the provisions of the "sunset" law which set out the procedure for review and re-creation and which require a separate bill to re-create each statutory entity within the department along with additional provisions.

Proposed law makes July 1, 2023, the new termination date and termination would begin July 1, 2022, unless the department is re-created again.

Present law provides for the Incumbent Worker Training Program within the La. Workforce Commission. Present law provides that the purpose of the program is to upgrade job skills through training, with emphasis on preventing job loss caused by obsolete skills, technological change, or national or global competition, in order to retain workers for occupations in high demand areas of the economy.

Present law provides that, for the program to continue, reauthorization must be expressly renewed by the legislature prior to July 1, 2018.

Proposed law provides for the reauthorization of the incumbent worker training program within the La. Workforce Commission until July 1, 2022.

Proposed law changes the names of the officers of the La. Workforce Commission as follows:

- (1) Executive director to secretary.

- (2) Deputy executive director to deputy secretary.
- (3) Chief financial officer to undersecretary.
- (4) Director to assistant secretary.

Proposed law directs the La. State Law Institute to change the names of the officers throughout the statutes as provided in proposed law.
