

RÉSUMÉ DIGEST

ACT 232 (SB 109)

2018 Regular Session

Johns

Prior law provided a list of individuals who may access the prescription monitoring program. New law adds an LDH epidemiologist to the list for the purpose of assisting the Louisiana Board of Pharmacy with public health evaluations to support public policy and education.

Effective August 1, 2018.

(Adds R.S. 40:1007(E)(8))
