

RÉSUMÉ DIGEST

SR 242

2018 Regular Session

Barrow

Requests the state Department of Education to provide evidence, data, and documentation to the Senate and House education committees, no later than January 1, 2019, establishing the state's charter schools' compliance with the intent, purpose, and objectives established in the Charter School Demonstration Programs Law, and that charter schools are held accountable for student academic performance, financial performance, and compliance with statutory, regulatory, and contractual obligations pursuant to each school's charter contract.
