

RÉSUMÉ DIGEST

ACT 476 (SB 546)

2018 Regular Session

Erdey

Prior law, relative to mosquito abatement districts, required that when a district is created by a parish governing authority, the governing authority appoint a board of commissioners, composed of five members, to govern its affairs, and fix the domicile of the board at any point within the parish. Required that the board members be qualified electors of the district, two of whom shall be appointed for terms of two years and three for terms of three years, dating from the date of the adoption of the ordinance creating the district. Required that thereafter, all appointments be for terms of three years. Required that the boards serve without compensation, but members shall be reimbursed for reasonable expenses incurred in connection with their official duties.

New law, provides that notwithstanding prior law, the term of board members, after initial appointments, may be up to five years as established by home rule charter or parish ordinance. Provides that if so authorized and the term is longer than the term of a member serving on January 1, 2018, the additional period of the longer term may be applied to consecutive terms of the member, as determined by the governing authority.

Effective August 1, 2018.
