AN ACT

To amend and reenact R.S. 39:105(B), and to enact R.S. 39:105(C), relative to capital outlay reports; to require the office of facility planning and control to submit to the Joint Legislative Committee on Capital Outlay an annual report of funded nonstate projects which do not have a fully executed cooperative endeavor agreement, a design contract, or are not proceeding with construction, and the reasons therefor; to provide for a copy of the report to be sent to each legislator whose district includes one or more projects on the list; to provide for an effective date; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 39:105(B) is hereby amended and reenacted and R.S. 39:105(C) is hereby enacted to read as follows:

§105. Capital Outlay reports to Joint Legislative Committee on Capital Outlay

\* \* \*

**B.(1) The office of facility planning and control and any state agency authorized to administer capital outlay appropriations shall submit to the Joint Legislative Committee on Capital Outlay, an annual written progress report no later than the first day of February, of the nonstate projects included in the current year's capital outlay budget which have been funded by the legislature, whether such funding was by appropriation or by bond authorization for which:**

**(a) The cooperative endeavor agreement or any amendments thereto, with the state have not been fully executed. The project manager and the nonstate entity shall give a written explanation as to why the agreement has not been fully executed.**

1                   **(b) The nonstate projects which have a fully executed cooperative**  
 2                   **endeavor or amendment but which have not received the approval of the office**  
 3                   **of facility planning, of a proposed contract for the design or engineering of the**  
 4                   **project, including an explanation by the project manager and the nonstate**  
 5                   **entity as to the reason the contract has not been fully approved.**

6                   **(c) The nonstate projects which have a fully executed cooperative**  
 7                   **endeavor, have completed the design phase, and have not begun the**  
 8                   **construction phase of the project, including an explanation of the reasons that**  
 9                   **construction has not begun by the project manager and the nonstate entity.**

10                   **(2) A copy of each report shall be sent to each member of the legislature**  
 11                   **whose district includes one or more projects on the list.**

12                   **C.** The office of facility planning and control shall submit the report in a  
 13                   format that can be edited.

14                   Section 2. This Act shall become effective upon signature by the governor or, if not  
 15                   signed by the governor, upon expiration of the time for bills to become law without signature  
 16                   by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If  
 17                   vetoed by the governor and subsequently approved by the legislature, this Act shall become  
 18                   effective on the day following such approval.
