Existing law provides for the expungement of criminal records and provides for the forms which shall be used to seek an expungement.

Prior law, relative to the forms for a motion for expungement and a motion for interim expungement, provided for an amount of time of 30 days that a background check may be used in seeking an expungement.

New law extends the amount of time that a background check may be used in seeking an expungement from 30 days to 60 days. New law also makes technical corrections to existing law motion for expungement forms.
